2015 Swimming Carnival

Our swimming carnival was held this week and as usual was a huge success. Thank you to Mr Agnew for organising such a wonderful day for our students. I was so impressed with the effort and sportsmanship of every student who attend the carnival and I am always proud of the outstanding behaviour that our students display. Well done to all students who attended and a special mention to Rory, Zoey and Cassie who participated in every event on the day. Congratulations to Rory, Jade, Cassie and Ben X for qualifying for the Zone Swimming Carnival that will be held in two weeks.

P&C AGM

Our P&C AGM will be held on Wednesday 25 February at 6pm in the 5/6 classroom, everyone is welcome to come along. Please remember to be a voting member you must pay your \$2 membership. We hope to see you there.

Parent Information Sessions

Thank you to everyone who was able to attend the Parent Information Sessions last week. If at any time you wish to have a meeting with your child's teacher please call the office to make a suitable appointment.

Year 6 Fundraiser

Next Thursday 19 February our Year 6 students are holding their first fundraiser for the year. Students are able to purchase a \$5 meal deal that will consist of a chicken burger, drink and an ice cream. Students need to return the attached note with \$5 by Wednesday if they wish to order their lunch.

New School Shirts

Our new school shirts have arrived and can be collected from Mrs Bell at the office. The cost of the new shirts is \$30 each. You are able to wear the old school uniform this year during the transition period however all students representing the school outside of our school will be required to wear the new school uniform.

Scripture

Scripture will start on Tuesday at 10am and will run for half an hour. If you would like to come and learn about what is taught in scripture feel free to come and join one of our lessons anytime. If you wish your child not to partake in scripture they will be supervised within the room and will complete literacy and numeracy activities. Your child will attend scripture unless a note is sent to school stating otherwise.

Office Red Box

When students have notes or money from home they need to be taken and put into the red box in the office. Please ensure the correct money is given as it is difficult to arrange change at times. All money needs to be clearly labelled in an envelope.

School Assemblies

Our school assemblies are held fortnightly on Monday at 2.30pm. Our next school assembly is on Monday 16 February.

Canteen News with Rickie

It has been a great start to the year. The children are enjoying the new items on the menu and the meal deal has been a hit as well as the chocolate mousse last Friday. Please stop by the white board outside the canteen to see what new items we might have.

Maths questions

Are you in search of an educational game to sharpen your child's maths skills and recall? Maths Monkey's Quest features maths questions on topics ranging from addition and subtraction to ratios and percentages. It's aimed at children from Years 3 to 8.

Helping your child with homework

How do you help your child while allowing them to develop independence? Teachers talk about how parents can help kids take responsibility for their homework and avoid Thursday night meltdowns.
