Term 3 - Week 10

Principals Message

As this is the last newsletter for this term I would like to take the opportunity to wish you all a wonderful and safe holiday. Thank you to everyone who has supported our students and school throughout this term. Students and Staff both return on Monday 15th October.

World Cerebral Palsy Day

On Saturday 6th October it is World Cerebral Palsy Day. To celebrate this special day students are welcome to wear green (the Cerebral Palsy Day colour) on Friday 19th October (the first Friday of Term 4). We will also have some activities for children to complete during class and Georgia Rawlins, who starts Kindergarten with us next year, is going to be our special guest.

ANZAC Mural

This morning I had a lovely meeting with Lyndsay Hall from our RSL sub-branch in regards to the ANZAC mural grant we have recently received. Mr Hall is going to speak with his committee in regards to images, phrases and words they believe should be incorporated into our mural. If any parents, carers or community members have any suggestions please email Miss Mac at: crystal.mcguigan@det.nsw.edu.au

Farewell Hamish and Poppy

We would like to wish Hamish, Poppy and their family all the best for next term when they start at their new school, closer to home. We have loved having you here at our school.

Garden Club

I would like to thank all the parents and carers who were able to give their time to do some gardening at school today.

Assembly

Thank you to everyone who attended our assembly on Monday and congratulations to the students who received an award.

Something seems fishy!

Mrs Heath and 2/3 made these lovely AND SCARY fish today in class. Thank you Baylie and Jacob for scaring Miss Mac with your amazing art work.

Congratulations Ashton

Ashton received an award today from Mrs Day, our Home School Liaison Officer, for great improvement in his attendance.

4/5/6 with Miss Shannon

Time flies when you're having fun and this term has been super fun with 4/5/6. We are finishing our Science unit on 'Light Shows' where we have studied how light is absorbed, reflected and refracted and have completed investigations on shadows. In Geography, we have been investigating how people influence places and environments and how the natural environments influence people and places. This week in English, the last of us have completed our Informative Texts and they are ready to be published over the holidays. When we return in Term 4 there will be a copy sent home and a copy to be placed in the library. The students of 4/5/6 are very excited to become authors! In Maths, the students completed a data investigation and graphed the results on excel. These are up on display in the classroom!

In Art, we have finished off our renditions of Van Gogh's 'Starry Night'

We also connected to a live feed this week on sharks to celebrated shark week.

Don't forget to download our Skoolbag app to keep up to date with all of the latest news. Skoolbag is also available on your ANDROID device.

P&C News

Next P&C Meeting – Monday 5th November 6pm

Uniform Shop

Don't forget to donate any old school uniforms once your child has grown out of them.

Volunteers Shirt

The P&C and School are introducing a polo style shirt for parents that volunteer at the school. The shirt will be the school colours and will have small emblem on the front. Volunteers can wear this shirt while conducting any volunteer work at the school or for the school (gala days, raffles etc). Shirts will be \$35 to purchase. **SAMPLE SHIRTS HAVE ARRIVED, COME AND TRY THEM ON FOR YOUR SIZE.**

SAVE THE DATE

Halloween Disco Wednesday 31st October 2018

Canteen News

Canteen open only on the Friday first week of Term 4

Reusable Bags

After lots of discussion, it has been decided that the best way to write out your lunch order when using the new reusable bags is to have all orders on one piece of paper so the volunteers can clearly see.

Gardening Club

Gardening club will next meet on Friday 26th of October from 11am.
